Jewelry

w/Ms. Logue

HEROD HERO SUMMER CAMP

Week 1 * Week 3 * Week 5

The background is a dark blue space filled with various celestial bodies and rockets. There are several planets of different colors and patterns, including orange and red striped, blue and white striped, purple, and yellow. Some planets have rings. There are also several yellow and white stars scattered throughout. Two rockets are visible: one in the top left and one in the bottom center. Dotted lines represent orbits or paths around the planets.

SWEETS AND TREATS BAKING CAMP

Registration for summer camp is now open & space is limited!

Krafty Kre8ions summer camp is filled with lots of fun. Let your young learners come to create something new every day. The students will learn how to bake, decorate sweets and all kinds of treats.

Campers are able to take their creations home daily.

**For more information call Marie Brown at
281-701-6501 or email kraftykre8ions1@gmail.com.**
