Dear Parents/Guardians:

We will be selecting Herod Elementary Safety Patrol members for 2022-2023 school year. The selection process implements a point system based on the students' academics and conduct.

The point system will be as follows:

- E = 5 points
- 90-100 = 4 points
- 80-89 = 3 points
- S = 2 points
- 75-79 = 1 points

For every 'E' a student earned during the 2021-2022 school year he/she will earn five points. For grades 100-90 range students will earn four points, 89-80 will earn him/her three points, 'S' will earn two points, and a single point for every grade 79-75.

Students that earned an academic grade ranging from 0-74 during the school year 2021-2022, will not be considered candidates for Safety Patrol. Students with conduct grades of 'N,' 'P,' or 'U' will not be considered Safety Patrol candidates as well.

Qualifying students will have their points tallied and will be ranked from greatest to least. The top 20 will be given the first opportunity to join Safety Patrol. If a tie should occur, then the tiebreaker will be based on student attendance.

The rest of the qualifying students will be on a waiting list. If one of the students in the top 20 chooses not to join or if he/she is dismissed from patrols, then the next student in line will have an opportunity to join.

Please complete all the forms if you would like your child to be considered a candidate for the 2022-2023 Herod Elementary Safety Patrol selection process. Have your student return the application to **Mrs. Lutfak, in room 202, by Friday, August 26, 2022.**
